

I am writing to inform you of how K-LOVE, an FM translator service, is an important part of my local community. K-LOVE is a station that is a very positive influence on me and my family. I don't have to be concerned about bad lyrics or messages when my 2-year-old son is listening with me. That would be one negative effect on my local community in K-LOVE were to be replaced by an LPFM broadcaster providing other programming. It is also great to know that if I move to another part of the country (or world, for that matter) I would still be able to find a K-LOVE station to listen to. I believe the encouraging, Christian programming that K-LOVE provides is a great service to the public. I recommend it to co-workers and friends who need to hear its message. I also help support K-LOVE financially for all of the reasons listed above. Thank you for your time in this matter,
Erin Albers
